Explanation of resolutions 13 to 16

Resolution 13

The resolution authorises the Directors to allot shares in the Company up to a maximum nominal amount of £1,145,380 representing one third of issued share capital of the Company. In addition to this, the Company has followed the guidelines of the Association of British Insurers and requested authority to allot further shares up to an additional nominal amount of £1,145,380. This additional allotment of shares would be applied to rights issues which are fully pre-emptive (subject to certain customary exemptions). If the Company relied on this additional authority in connection with a rights issue, the entire Board of Directors of the Company would stand for re-election at the following Annual General Meeting.

Resolution 14

This resolution authorises the Directors in certain circumstances to allot equity securities for cash other than in accordance with the statutory pre-emption rights (which require a company to offer all allotments for cash first to existing shareholders in proportion to their holdings). The relevant circumstances are either where the allotment takes place in connection with a rights issue or the allotment is limited to a maximum nominal amount representing approximately 5% of the total issued share capital of the Company as at 25 February 2011, being the latest practicable date before the publication of the Notice of AGM. The resolution complies with the latest issued guidelines of the Association of British Insurers, and is similar to authorities given previously. This authority, and that requested in Resolution 13, expire on the earlier of the date falling 18 months after the date of the passing of the resolution and the conclusion of the next Annual General Meeting of the Company. The Directors have no current intention to exercise the authorities sought by these resolutions except for employee share schemes.

Resolution 15

This resolution authorises the Directors to purchase up to a total of 3,436,140 of the Company's shares, representing 5% of the issued share capital of the Company as at 25 February 2011, being the latest practicable date before the publication of the Notice of AGM. Shares so purchased may be cancelled or held as treasury shares. This authority expires on the earlier of 18 months from the date of passing this resolution or the conclusion of the next Annual General Meeting of the Company.

The Directors will use the share purchase authority with discretion, when they consider such purchase to be in the best interests of the Company. In reaching a decision to purchase shares of the Company the Directors would take account of the Company's business and any impact on earnings per share and net tangible assets per share, as well as all other relevant factors. The Directors have no current intention to exercise the authority sought by this resolution.

The minimum price that can be paid for an ordinary share is 5p being the nominal value of an ordinary share. The maximum price that can be paid is 5% over the average of the middle market prices for an ordinary share, derived from the Daily Official List of the London Stock Exchange, for the five business days immediately before the day on which the share is contracted to be purchased.

As at 25 February 2011 being the latest practicable date before publication of the Notice of AGM, there were outstanding options under the Company's discretionary share incentive plans and employee share savings schemes in respect of 1,356,271 ordinary shares of the Company, representing approximately 1.97% of the Company's issued ordinary share capital (there are no treasury shares). If the authority to purchase the Company's ordinary shares were exercised in full, such options would represent 2.08% of the Company's issued ordinary share capital.

Resolution 16

This resolution authorises a reduction in the minimum notice period for general meetings, other than annual general meetings. Whilst the Company's Articles of Association already provide for a minimum notice period of 14 days for general meetings, the Companies Act 2006 (as amended by the EU Shareholder Rights Directive) requires that the Company requests shareholders to authorise this minimum notice period at every Annual General Meeting.

By order of the Board

1. Only those members entered in the register of members of the Company as at 6.00pm on Tuesday 19th April 2011 shall be entitled to attend and vote at the above meeting. Changes to entries in the register of members after 6.00pm on Tuesday 19th April 2011 shall be disregarded in determining the rights of any person to attend and vote at the meeting. These requirements reflect Part 13 of the Act and Regulation 41 of The Uncertificated Securities Regulations 2001 (as amended).
2. A member of the Company who wishes to attend the meeting in person should arrive at 417 Bridport Road, Greenford, Middlesex UB6 8UA in good time before the meeting, which will commence at 10.00am. In order to gain admittance to the meeting, members may be required to prove their identity.
3. A member may appoint a proxy (who need not be a member of the Company) to exercise all or any of his rights to attend, speak and vote at the meeting. You can appoint the Chairman of the meeting or anyone else to be your proxy at the AGM. You can also, if you wish, appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. A proxy must attend the AGM in order to represent you, and must vote in accordance with your instructions. A form of proxy is enclosed. The notes to the form of proxy include instructions on how to appoint the Chairman of the AGM or any other person as proxy.
4. To be effective, the form of proxy and any authority under which it was executed (or a notarially certified copy of such authority) must be deposited with the Company's Registrars Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZL not less than 48 hours before the time fixed for the meeting. Completion of the enclosed proxy form will not preclude shareholders from attending and voting at the meeting in person.
Members who prefer to register the appointment of their proxy electronically via the internet can do so through Equiniti's website at www.sharevote.co.uk where full instructions on the procedure are given. The Voting ID, Task ID and Shareholder reference number printed on the Form of Proxy will be required in order to use this electronic proxy appointment system. Alternatively, members who have already registered with Equiniti's on-line portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk and clicking on "Company Meetings". A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 10.00am on 19th April 2011.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 21st April 2011 and any adjournment(s) thereof by using the procedures described in the CREST Manual (available at www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
